

STRATEGIC PLAN

MISSION

Kil.n.it is a hub for ceramic artists to practice, grow and share their art form within the City of Sydney and beyond.

VISION

Experimental ceramics is celebrated as a significant art form contributing to contemporary conversations, issues and stories.

VALUES

Creativity

... inquisitive practice allowing space for discovery and expanding the field.

Experimentation

... traditional processes untraditional outcomes.

Community

... creating & sharing opportunities & experiences in experimental ceramics.

Belonging

... inclusion, diversity, accessibility and equity connect us all deeply & safely.

Sustainability

... manageable growth minimal waste.

Artist led, proactive governance, sound financial management.

GOALS

1 2 3 4

Support experimental ceramic practices with affordable & accessible studio spaces.

Provide facilities, services & unique learning experiences to members.

Lead collaborative exhibitions & events showcasing experimental ceramic artists.

Promote & advocate experimental ceramics practice in Australia.
